

THE HOLIDAY'S ON!

by Joyce Cooling & Jay Wagner

c. 2013 Wagner/ Cooling, BMI

Verse 1:

The crowd is here, good times are near
and I want to spend them with you
so... grab your coat, put down the remote
Let's go! The holiday's on.

Verse 2:

The band'll swing, everybody'll sing
and I feel like dancing with you
so... lace up your shoes, away with the blues
Let's go! The holiday's on.

Bridge:

We spend our lifetimes working
Thinking that's the key to it all
I don't want to wait 'till things have passed us by
to taste a piece of the pie

Verse 3:

So let's have some fun, the party's begun
and I want to be there with you
so... jump in the car, I'll bring the guitar
Let's go! The holiday's on.
